Comments from Students and Parents:

"We can't thank you enough for all you have done for N---! N--- feels that you are an awesome teacher with an amazing gift for teaching!" – Parents of a student

"I would like to say thank you very much and that I've had an absolutely wonderful time over the past four years. I said the other week that you're the best teacher I've had at anything, and that is true. Your course is well thought out, (or at the very least has solid theory behind it) and your sense of humor that you inject into it keeps it incredibly entertaining and memorable." – A student

"We have decided to change our home school scheduling to allow M--- to take lessons on Tuesdays...at St. Steven's...Michael is a positive influence in M--- and also a great guitar teacher. – Mother of a student
